17.1

- (1) Strata council affirms the principle that physical meetings are the best way to conduct council business. Council agrees that, in special circumstances (like necessary absence), one or more council members can attend the meeting through an electronic connection. Electronic attendance will need, in each case, to be approved by a majority of council. It is understood that electronic attendance should be for no more than a quarter of council meetings, unless a very special case arises, in which circumstance council will address that case.**
- (2) If the conditions established by (1) above are established, council members attending by electronic means can be deemed to be present in person.**
- (3) Owners may attend council meetings as observers.**
- (4) Despite subsection (3), no observers may attend those portions of council meetings that deal with any of the following:**
- (a) bylaw contravention hearings under section 135 of the Act;**

- (b) rental restriction bylaw exemption hearings under section 144 of the Act;*

 - b) on a limited common property balcony, deck, patio or roof top area designated for the exclusive use of a strata lot*
 - c) within the boundaries prohibited by a municipal or a provincial enactment governing smoking next to an exterior door window or air intake, and*
 - d) on the interior common property or limited common property, including but not limited to, hallways, stairs, elevators, lobbies, parking garages, storage areas, recreation areas, offices, mechanical, electrical, communication and filter rooms*
- 2) Subject to the Human Rights Code, all persons, including but not limited to owners, tenants, occupants, employees, invitees, patrons and visitors must comply with this bylaw.*
 - 3) The strata council may upon written application from an owner, tenant or occupant provide reasonable accommodation if it is satisfied based on credible evidence that the refusal to allow smoking of marijuana would result in discrimination prohibited by the Human Rights Code.*
 - 4) In making the accommodation under this provision, the strata council will only do so in writing and may attach conditions to the grant of accommodation including the time frame or date, the duration of the permission and the location where smoking of marijuana will be permitted.*
